**Item 2.02 Results of Operations and Financial Condition**

On July 30, 2014, Astronics Corporation issued a news release announcing its second quarter and year to date financial results for 2014.

The following changes to disclosures made in the July 30, 2014 news release with regard to Astronics engineering and development costs (“E&D”) have no impact on gross profit, net income or earnings per share for either the three or six months ended June 28, 2014.

Included in the news release and the ensuing investor conference call were statements referring to consolidated E&D costs for the three and six months ended June 28, 2014 stating those costs to be \$18.4 million and \$35.6 million respectively, including \$4.4 million and \$7.7 million for the three and six months ended June 28, 2014 respectively for businesses acquired after last year’s second quarter.

The news release and investor call should have stated the E&D costs for the three and six months ended June 28, 2014 as \$20.6 million and \$37.9 million respectively, including \$6.7 million and \$9.9 million for the three and six months ended June 28, 2014 respectively, for businesses acquired after last year’s second quarter.

The information contained herein shall not be incorporated by reference into any filing of the registrant, whether made before or after the date hereof, regardless of any general incorporation language in such filing. The information in this report, shall not be deemed to be “filed” for purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended.

---

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
